TERMS

- A load is not confirmed until both the Customer & Boomer Logistics have agreed to freight terms via email.
- A client may cancel a load prior to day of pick up free of charge. Boomer Logistics has the right to charge the client a "truck order not used" fee of \$250.00 for orders canceled day of loading
- Shipping/Delivery delays that exceed two hours will be charged to a customer at a rate of \$50/hour to a maximum of \$250.00 per 24-hour duration.
- Payment Terms: Net 30 days from date of invoice*.

*Boomer has the right to request upfront payment for the first three loads to establish customer credit. Once established, payment terms will revert to 30 days.

Customer Responsibilities

The customer is responsible for accurately communicating (via email) their transportation needs to their Boomer Logistics Sales Rep/ Account Manager. The communication must include the following details:

- Product classification
- Place of origin and destination of your shipment
- Pick up date/time including shipping instructions/appointment requirements
- Delivery date/time including receiving instructions/appointment requirements
- Equipment requirements including temperatures needs
- Service Type (solo driver, team service, drop trailer, LTL, etc.)
- Value of shipment
- Number of pallets, dimensions, and weight of product by pallet
- Insurance declaration (opt in or out of Boomer Logistics Insurance)
- Unloading fees are the responsibility of the customer and may not be charged to Boomer Logistics and or the Carrier.

Shortages

So long as the truck seal remains intact until reaching its destination, Boomer Logistics will not be responsible for the any identified shortages.

Mutual Confidentiality

All parties acknowledge that all Information communicated to either party is strictly confidential and shall not be revealed to any person or entity, or use any Information at any time, except as expressly directed or as may be required by law. This clause excludes information that is or will be generally known to the public
